

October 1, 2018

Dear Combined Federal Campaign Charity:

Your organization is invited to participate in the TeamRedstone Combined Federal Campaign (CFC) 2018 Kick-Off Celebration and Agency Fair. This year's celebration will be held on **Tuesday, October 16, 2018**. The Celebration will be held from 11:30 a.m. – 2:30 p.m. at the NASA/MSFC Activity Center, Building 4316, Digney Road, Redstone Arsenal, Alabama. This event will be held indoors. For your convenience, tables and chairs will be provided. Each charity must furnish their own name tents or table tents (with your charity name and CFC #), tablecloths, and decorations. It is required that your table be fully set-up and staffed by 11:15 a.m. Your presence at the TeamRedstone CFC Kick-Off and Agency Fair allows Federal employees an opportunity to visit and learn more about your agency, the services provided, volunteer opportunities, and allows you the chance to network with potential donors, volunteers and fellow non-profit organizations.

To participate, please complete and return the enclosed Registration Form and Charity Outreach Form no later than Monday, October 8, 2018. Charity registration is on a **first-come, first-served basis** and is limited to the first 40 charities who return the COMPLETED Registration Form **and** Charity Outreach Form. The Charity Outreach Form states that the charity will abide by CFC rules and regulations (charities may Google 5CFR950 to read the rules and regulations); failure to do so will cause the charity to be dismissed or escorted from the CFC event. Registered charities will only be allowed two (2) individuals to staff its table. Please ensure that your e-mail address is included on the Registration Form. No fax or telephone registrations will be accepted! If you are a CFC Federation, please forward this information to your federation members so that your members have an opportunity to register for this event.

We will notify you if your charity is one of the first 40 charities registered for the event. Due to heightened security at Redstone Arsenal, we will contact registered charities to provide additional information on the two personnel who will staff your table.

We hope your organization will take advantage of this opportunity, and we look forward to seeing you this year at the TeamRedstone CFC Kick-Off Celebration and Agency Fair! Please see enclosed for Registration Form, Charity Outreach Form, and contact information.

Sincerely,

A handwritten signature in blue ink that reads "Tim C. McDowell".

2018 Charity Outreach Program

The Combined Federal Campaign (CFC) is the only authorized charitable giving drive for employees in the Federal workplace. Launched by President Kennedy in 1961, the CFC is one of the largest charitable workplace giving programs in the world. The Office of Personnel Management (OPM) has organized the CFC into 35 geographic zones across the country.

The Combined Federal Campaign of the Greater Tennessee Valley is the local campaign for Federal employees in the Huntsville/North Alabama region. In 2017, through the collective contributions of civilian and military Federal employees the campaign generated more than \$101M in pledges for participating local, national, and international charities.

Throughout the campaign, charities may have the opportunity—via kickoffs, charity fairs, speaking opportunities, etc.—to meet directly with campaign leaders and generous Federal employees. These activities provide charities the opportunity for visibility across the CFC donor base. Charities that wish to participate in Charity Outreach Program activities must agree to follow these guidelines by signing the attached 2018 Outreach Program Guideline Agreement.

Charity Outreach Program Guidelines

These guidelines have been set forth to administer the CFC fairly and equitably for all charities within the campaign. Before attending and/or speaking at any campaign events or any associated activity, a leader from your organization must carefully read, sign, and return this form.

1. We understand that we are at a CFC event; therefore, fundraising and collecting names is prohibited.
2. At any event, promotional items of nominal value may be distributed; however, the sale of items is strictly prohibited. Our representatives recognize that raffles and gaming are prohibited as well.
3. We understand that when we are at a CFC event, we represent not only our organization, but all charities in the campaign, and will abide by CFC regulations 5 CFR Part §950, OPM instructions, and Federal department and agency ethics guidelines.
4. Our organization has representatives who are willing and able to enter United States government facilities to attend charity fairs.
5. If someone from our organization agrees to attend a campaign event, the representative will arrive on time and with appropriate photo identification(s) issued by a valid government agency (driver's license, U.S. passport, or other). Note: At times, certain state identification cards such as driver's licenses have been deemed unacceptable for entrance into Federal government facilities. Please check in advance to ensure your state's licensing program meeting Federal standards. Otherwise, an alternate form of identification will be required, such as a U.S. passport. Some facilities may require two forms of ID.

6. If unable to attend (after confirming their participation), the representative will inform the CFC and the department or agency organizer as soon as possible.
7. Representatives will provide customer service in a professional manner and will greet, receive, and thank all attendees with equal respect, dignity, and enthusiasm.
8. Representatives will not attend events to which our organization has not been invited.
9. We will use only the allotted display area and understand that we may have to share table space with other charities.
10. We will attend all CFC events in professional attire (e.g., no shorts, flip-flops, etc.).
11. We will inform CFC officials immediately about any significant problems encountered or any changes in our contact information.
12. We understand that photography (even photographing our own display) may be restricted. We will check in advance before bringing cameras or cell phones inside the facility. We will ensure that any staffers attending campaign events know of the CFC Charity Outreach Program requirements.
13. We understand and accept that by entering this event, representatives of CFC and/or federal agencies may take photographs during this activity and those photographs may be used to promote participation in the Combined Federal Campaign.

2018 Charity Outreach Program Agreement

We understand that failure to comply with any of the 2018 Combined Federal Campaign Charity Outreach Program guidelines could affect our organization's participation in future campaign events.
